EDUCATION

UNIVERSITY OF ILLINOIS

Bachelor of Science in Computer Engineering

Urbana-Champaign, IL

May 2015

Overall GPA 3.44/4.0

SKILLS

Python (5/5), C/C++ (4/5), Bash (2/5), HTML (2/5), CSS (2/5), JS (2/5)

WORK EXPERIENCE

July 2015- Present	Capital One <i>Associate Software Engineer</i> - Developed AWS Cloud Formation Templates (CFT's) to create an infrastructure of autoscaling EC2's, ELB's, and EBS volumes to be used in application specific development - CFT's included alarms that would text and/or email when certain thresholds were reached - Saved money by creating a shell script to stop EC2s at night and on weekends when developers weren't using them	Richmond, VA
Summer 2014	Capital One <i>Intern</i> - Collaborated with a team of interns to develop first open source dashboard interface at Capital One using HTML, CSS, and Angular.JS to display health and status of code projects - Performed on an Agile team - Developed code with an iterative approach and heavy emphasis on user testing	Richmond, VA
Spring 2013- 2014	University of Illinois <i>Undergraduate Researcher</i> - Created an automatic alignment system using LabVIEW to calibrate a diffraction phase microscope - Funded and mentored through the Illinois Scholars Undergraduate Research Program (ISUR) and through the PURE program (Promoting Undergraduate Research in Engineering)	Urbana, IL

ACTIVITIES

Fall 2015	Capital One Coders <i>Volunteer</i> Taught fundamental coding skills to elementary students interested in Android app development using MIT App Inventor 2 during a 10 week program	Richmond, VA
Summer 2013	G.A.M.E.S. Camp – (Girls Adventures in Mathematics, Engineering, and Science) <i>Lab Assistant</i> - Served as a mentor and role model to high school girls during a week long summer camp located on campus - Taught the girls how to build an FM transmitter circuit and an LED calculator	Urbana, IL
2012-2015	NOBE – (National Organization for Business and Engineering) <i>National and Alumni Chair</i> - Organized a sponsored casino night event - UIUC representative at the NOBE National Conference in 2014	Urbana, IL
